

82-03562

18 February 1982

MEMORANDUM FOR: Director of Central Intelligence
FROM : SA/DCI/IA
SUBJECT : NSC Meeting on Caribbean, 19 February 1982

1. Following your meeting with [] today, he stopped by so that we could coordinate efforts to get your materials for tomorrow's NSC meeting. 25X1

2. [] has provided an updated version of his talking points. Second, I obtained from Dewey Clarridge the latest information he has on the status of our covert action program, should you be asked to comment on where things stand. The most recent information is Dewey's spot report of yesterday which discusses the results of the recent symposium on Nicaragua [] 25X1

3. [] is currently working on this week's Central America Report. He is planning on bringing it to you tomorrow morning about 10:30 and will give you an extra copy to include with your NSC materials. 25X1

4. According to [] you will be putting the final touches on the revisions you would like to make to the President's draft speech to the OAS. I believe you have the latest copy in hand. 25X1

5. Finally, Debbie retyped the shortened version of your notes from the 10 February NSC meeting, thinking that you intend to use them at tomorrow's meeting. It was not clear to me how you intend to use them, but I have included a copy in your package.
